Guatemala - Sacatepéquez
San Mateo Milpas Altas
Listing ID: 001001865046

Our office presents a great opportunity to own a big house with big lot in the mountains with great views. The property is perfect for commercial use or to live. There used to be a Spa that was operated from this property, it has lots of parking available and could be transformed into anything you want. The place has 11 beds for massages, plenty of bathrooms but could be transformed back to a residence with ease. It is located 20 minutes from Antigua and about 30 from the city, 20 to Chimaltenango. A really good spot, come visit it!
