

FOR SALE

\$ 2,300,000.00 USD

Guatemala - Sacatepéquez

La Antigua Guatemala

Listing ID: 00100775106

Located in the exclusive southern section of Panorama, this residence for sale is designed for those seeking space, privacy, and a superior quality of life in one of Antigua Guatemala's most desirable neighborhoods. The house is distributed over two levels and offers 800 m² of construction on an impressive 1,660 m² lot, surrounded by gardens that invite you to enjoy the tranquility and privileged climate of the area. It features three spacious bedrooms in the main house, each with its own private bathroom, plus a guest room or separate apartment. Each bedroom has been designed to provide comfort and privacy, ensuring functional spaces for both family and guests. As an added bonus, the property includes a large space that can be used as a family room, playroom, or an additional bedroom, ideal for guests, as well as a meditation room. This property is impressive in itself, but the kitchen deserve...
