Alotenango

Listing ID: 00100775119

If you're looking for comfort, privacy, and architecture with character, this beautiful residence could be the perfect place for you. Located in Antigua Guatemala, a few kilometers from the historic center on the way to San Juan Alotenango, within one of the fastest growing and most valuable residential areas in the sector, this property combines colonial design, functionality and a safe environment to enjoy a true quality of life. From the very first moment, the house conveys warmth and harmony, with spaces carefully designed to take advantage of every environment and create a natural connection between the colonial architecture and the surrounding landscape. **FIRST LEVEL** Upon entering you will find a garage and separate pedestrian access, providing greater convenience and privacy. The main room stands out for its elegant continuous brick barrel ceiling, overlooking the interior ga...
